Carla Piedrahita shared this information

Dear ALPES members,

I have just finished reviewing and updating the Recursos y Servicios para Latinos brochure (attached) and I need your help. Please check the information pertaining to YOUR program and any other programs you know well to make sure they are all accurate. I have called and/or looked on websites to update the information, but it's still possible that I have some mistakes. If you see anything MISSING or anything that needs EDITING, please email me before 11/15.

Criteria for making the pamphlet:

Must have services available in Spanish (bilingual staff/programs)

Must serve low income (sliding fee scale or free services)

Serves Wake County

Thanks for your help with this. Please do NOT begin using this yet. I will send another email when it's ready to go.

(See attached file: latino resource pamphlet-2014.pdf)

This past Monday, October 21, 2013 at the Mexican Consulate ALPES members Petra Hager and Norma Marti did an excellent job presenting: Tiene preguntas sobre el Mercado de Seguro Médico y la nueva ley de Cuidado de Salud a Bajo Precio

Many thanks to all the ALPES members that worked hard to make this presentation possible. Thank you to the Mexican Consulate for their support.

For more information about their presentation please visit:
