Farmworker Migrant Health Manager – Job opportunity

Supervise a Farmworker Migrant Health Program including managing health outreach to farmworker camps and seasonal clinics. Team comprised of Nurses, PH Educators, Nutritionist, and support staff who coordinate delivery of health services and screenings to disparate populations. Interviewing, select, coach new staff and prioritize work related health activities for the team. The position develops marketing plans for the program, serves on committees and acts as a liaison with community organizations and medical partners. **Registered Nurse (BSN)** preferred with Public Health experience and program/project management. English is requirement and **Spanish language skills are preferred**. Visit www.wakegov.com to view employment opportunities (refer to job 1244/BR).

Dear Friends,

This year, Univision 40 is celebrating 10 years of service to North Carolina's Hispanic community and will do it with a festival that will be held every year. Our anniversary party, or **UniRUMBA**, will be held on Sunday, September 15, from 12:00pm to 5:00pm at "International Foods," located at 421 Chapanoke Rd. in Raleigh. **UniRUMBA** will host music groups and entertainment for all the family. Additionally, and continuing with Univision's empowerment initiative, we are inviting agencies and institutions that provide useful information to our local Hispanic community to be part of this occasion. We invite you to sign up to this unique event to celebrate "El Grito" and Univision's 10 year milestone in our community.

Please do not hesitate to contact us if you have any questions or if you would like more information.
